Education without Borders

KDU University College and Teachers' Union Promotes Quality Education to Sarawak

KDU University College signed a Memorandum of Agreement with Sarawak Teachers' Union (STU) recently, aimed to provide quality education to children of STU members with equal opportunities and access to reputable and professional education.

This collaboration will see children of STU members be entitled to 30% tuition fee discount at KDU University College for the entire duration of their study in the first programme in a given year.

KDU University College offers a wide range of programmes including Accountancy; American Degree Programme; Business and Law; Communication and Creative Arts; Computing and Creative Media; Hospitality, Tourism and Culinary Arts and Pre- University programmes.

Our programmes are top grade market-relevant programmes, developed by industry players with an insight to market needs. It also emphasises hands-on experience and real-life scenarios to prepare students for the working world.

Integrated into our students' curricula are the E3 Boosters which are designed to increase the employability efficiency among our students. Championing this initiative, it represents English Proficiency, Emotional Quotient and Entrepreneurship.

KDU University College will continue in its effort to provide quality education to the community of Sarawak as everyone deserves equal opportunity to progress intellectually. Through this collaboration, many other initiatives are in the pipeline to increase the educational prospect in Sarawak.

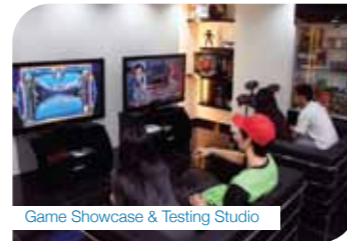

Established in 1983, and a pioneer in Malaysian private education, KDU University College (KDU UC) has continued to be an innovative leader in Malaysia through its SMART initiatives. KDU UC aims to provide a superior learning experience to nurture students to become independent and life-long learners.

KDU UC prides itself with its impressive alumni of more than 45,000 graduates. Many have successfully transferred to universities around the world to further their studies and have emerged as top students from these universities to become competent graduates who excel in their workplace. The college's high standards of academic provision are well recognised by employers of various industries and universities worldwide.
